

## Book Creator Bird Project

**What are the names of the birds you chose to research?**

name of first bird	name of second bird

This portion of the project is just for adding the visual requirements to the project. Please note, there are no notes or paragraphs that go onto these pages. There should only be pictures, titles, and names of the birds.

<p style="text-align: center;"><b>Page 1 (Cover Page)</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> title your project</li> <li><input type="checkbox"/> add your name</li> <li><input type="checkbox"/> add the date</li> <li><input type="checkbox"/> add a picture of each of the birds that you chose to research (use All About Birds website only)</li> </ul>	<p style="text-align: center;"><b>Page 2</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> title your page "<u>Chapter 1: bird comparisons</u>"</li> <li><input type="checkbox"/> add the name of your first and second bird</li> <li><input type="checkbox"/> insert a picture(s) of your birds (use All About Birds website only)                             <ul style="list-style-type: none"> <li><input type="checkbox"/> if there are differences between male and female, insert images that show the difference</li> <li><input type="checkbox"/> insert an image that shows immature birds</li> </ul> </li> </ul>
<p style="text-align: center;"><b>Page 3</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> title your page "<u>Range Map</u>"</li> <li><input type="checkbox"/> add the name of your first and second bird</li> <li><input type="checkbox"/> copy and paste the range map for each bird from All About Birds website</li> </ul>	<p style="text-align: center;"><b>Page 4</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> title your page "<u>Habitat</u>"</li> <li><input type="checkbox"/> add the name of your first and second bird</li> <li><input type="checkbox"/> on the web, find pictures that represent each of the habitats where the birds can be found</li> </ul>
<p style="text-align: center;"><b>Page 5</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> title your page "<u>Diet</u>"</li> <li><input type="checkbox"/> add the name of your first and second bird</li> <li><input type="checkbox"/> under each picture, add pictures of the food that each bird consumes (this can be a sampling of food instead of all of them)</li> </ul>	<p style="text-align: center;"><b>Page 6</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> title your page "<u>Behaviors</u>"</li> <li><input type="checkbox"/> add the name of your first and second bird</li> <li><input type="checkbox"/> under each picture, insert images that may reflect selective bird behaviors that make them different from one another</li> </ul>
<p style="text-align: center;"><b>Page 7</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> title your page: "<u>References</u>"</li> <li><input type="checkbox"/> add the websites that were used to access information including:                             <ul style="list-style-type: none"> <li><input type="checkbox"/> All About Birds.org</li> </ul> </li> </ul>	<p>Please check off the following list when you think that you finished:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Each time I mentioned the name of the birds, I capitalized the name(s)</li> <li><input type="checkbox"/> I double checked my spelling and made corrections where needed</li> <li><input type="checkbox"/> I made sure to include the name of the website under each picture that I took from the web</li> </ul>

## Bird Project Script

**Directions:** for each page of the project, write a script that uses information gained from the notes that you took from the website All About Birds.org
